**Well members, it's about to be July, and it is one word: HOT. This is the time we hit the beaches (or for a select few of us-go on a Caribbean cruise lol) because it's just WAY too hot to go dirt fishing unless you can find a wonderfully shaded piece of property with someone to fan you while digging! Have fun on the beach or in the water, there's been LOTS of round goodies being found along with some really nice gold bracelets! Just be aware of the fast changing weather and seek safety during lightning.**
