Tom's Tips

I only have one piece of advice for you this month and that is:

Don't miss this month's meeting.

Our speaker will be Capt. Carl Fismer.

Carl Fismer lives the life of an adventurer. The type of life that they make books, movies and video games about. Carl Fismer, affectionately dubbed "Fizz", is a treasure hunter that has dived on some of the world's most famous shipwrecks. He is often described as a real life underwater Indiana Jones. Carl is an active treasure hunter who travels the world looking for treasure and artifacts. He has worked with Mel Fisher on the world famous treasure ship, the Atocha. Carl Fismer is often called in as an expert on shipwrecks and treasures of the Spanish Main when producers and writers want to add realism to their productions.
