July Meeting on the 22th at 7 pm

Our club meetings are on the fourth Monday of each month except December. Location is Bill Jacksons Shop for Adventure at 9501 US 19 N, Pinellas Park Florida. We will have a guest speaker and guests are welcome to attend. Meeting starts promptly at 7 pm!

From the President

The summer simmers on. With hot temperatures, many beach bums and beach bunnies are swimming.

Now is the time of year to find your piece of gold. The beaches are packed but remember to protect your skin from the sun. Protective clothing and sunscreen will help you to maintain your youthful look far into your years. Just look at me!

Joe Szemer

Notes from your VP

Summer detecting is in full swing as the crowds are on the beaches leaving many treasures for us to find. Remember that our detectors are expensive electronics that require care. Rinse your water machines with fresh water after each hunt to insure they will last many years. Salt corrosion will shorten the life span of your equipment. Happy treasure hunting!

Howard Metts

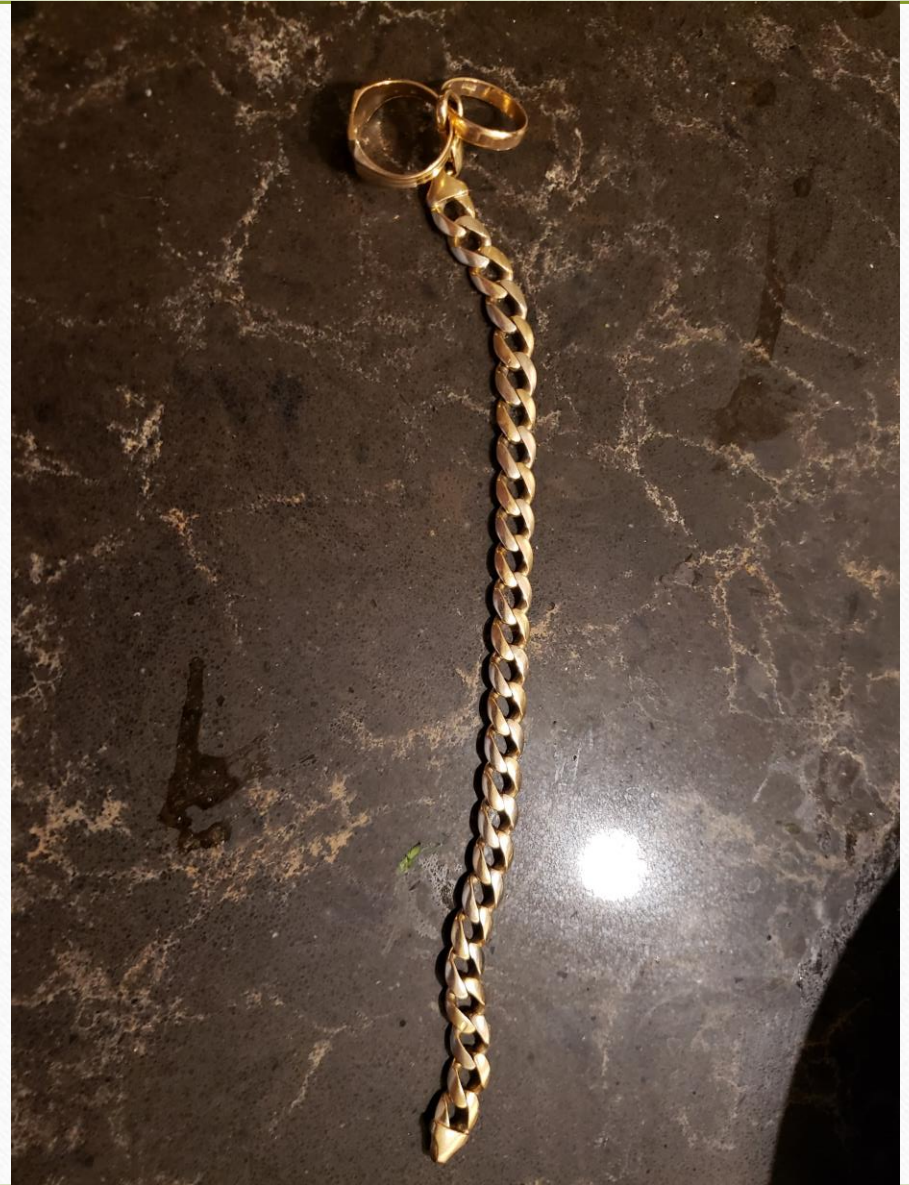

**We also can find lost eye glasses.
Great Job Mike and Paul!**

This is why you don't
put your rings on your
bracelet while you
swim!

Ring Finders Update

Ring Finders contributions to the club for January - June 2019 was a total of

\$6,344

Great job and thanks Ring Finders for volunteering your time to help both the club and those who lost items.

Guest Speaker is Phil Meyers

Phil Myers will be providing info on a new Minelab metal detector coming out in the fall. Minelab has asked Meyers Metal Detectors to set up a date and place in the Tampa Bay area to test and announce their new product. Phil will provide the details at our meeting.
