May 2024 Meeting

The next meeting is Monday May 20th, 7:00 pm at **Quaker Steak & Lube**, 10400 49th St N, Clearwater. Come in early to purchase wings or a burger to support this restaurant.

Guest Speaker is Howard Metts

I will talk about our recent cruise and
detecting the beaches of the Bahamas!

Notes from your President

Dimitur, Joe Szemer, Rob Payne, and myself had a great 7-day cruise with our wives. We detected 3 different beaches and had some success.

I will answer questions about detecting in the Bahamas at our meeting.

Happy Treasure Hunting,

Howard Metts

From the Vice President

Carl Fismer did a great presentation in spite of not having the overhead screen. This should be corrected for this month's meeting as we have some nice photos to present.

It is with great sorrow I announce the passing of my father William Metts. My Dad started metal detecting while living in Haddonfield New Jersey and got me involved in the hobby when I moved to Florida. He moved to Florida with my mother and lived by the Treasure Coast. He hunted the beaches and enjoyed the ocean almost daily into his late 80's. Dad was a frequent visitor to Myers Metal Detectors owning many different detectors over the years. May he rest in peace.

NEED IDEAS FOR MEETING GUEST SPEAKERS

Participation of the members brings success to any club. We need your ideas on speakers or topics that you would like to see presented at our meetings. We now have a large screen for doing nice presentations. Please contact Howard Metts or Joe Szemer with ideas.

Please support this restaurant by purchasing some food and drink as they are not charging us their \$250 fee. Thanks!
