Notes from your President

The weather and water temperature is warming up so get to the beaches and find some treasure.

Have fun and be safe,

NEED IDEAS FOR MEETING GUEST SPEAKERS

Participation of the members brings success to any club. We need your ideas on speakers or topics that you would like to see presented at our meetings. We now have a large safe indoor meeting venue to use with a screen for doing nice presentations. Please contact Howard Metts or Joe Szemer with ideas.

Please support this restaurant by purchasing some food and drink as they are not charging us their \$250 fee. Thanks!

Be An Active Member of Our Club!

It takes volunteers to keep our club and many events running each year. The barbecued pork and chicken doesn't drive itself to our Ft Desoto events. Planting hundreds of coins in the sand and placing flags for our hunts takes time. Donations to our Ringfinders group enables us to buy all those coins we raffle off at our meetings and banquet. Writing this newsletter, getting guest speakers, and training new members to properly use their detectors all take time. In all organizations 20% of the members do all of the work while the other 80% reap the benefits. Please help our club by volunteering for one of the duties. We are all in this to insure we all have a great time in our club!
